

10th FENS July 2-6, 2016
Copenhagen, Denmark
Forum of Neuroscience

EMCCS-FENS 7th biannual meeting and 1st EBBS-EMCCS join meeting: A satellite event of the FENS Forum 2016 at Copenhagen

The 7th biannual EMCCS meeting will be held in Copenhagen at The Lundbeckfond Auditorium on June 30th and July 1st, 2016 immediately before the FENS meeting. This will be the 1st Join Meeting of EMCCS and EBBS. The meeting will survey recent discoveries in the field of molecular and cellular cognition. There will be 28 oral presentations including 9 short talks chosen from submitted abstracts. As in previous occasions, there will be a "Wine&Cheese" poster session in the evening of June 30th.

When: Meeting will start at 14:30 on June 30th and finish at 18:50 on July 1st.

Where: The Lundbeck Foundation Auditorium, Copenhagen.

Web of the venue: <http://www.biocenter.ku.dk/english/auditorium/>

Attendance requires the payment of a fee at www.EventBrite.com and registration in our website www.emccs.org

The list of confirmed speakers includes:

Clive Bramham (University of Bergen, Norway); **Pedro Bekinschtein** (Universidad de Buenos Aires, Argentina); **Tim Bussey** (Cambridge University, UK); **Claudia Buß** (Institut für Medizinische Psychologie, Berlin, Germany); **Pico Caroni** (FMI, Basel, Switzerland); **Ype Elgersma** (University of Rotterdam, The Netherlands); **Christos Gkogkas** (University of Edinburg, UK); **Inbal Goshen** (HU Jerusalem, Israel); **Ki Ann Goosens** (McGovern Institute for Brain Research at MIT, USA); **Inbal Israely** (Champalimaud, Portugal); **Camilla Bellone** (University of Geneva, Geneva, Switzerland); **Helmut Kessels** (Netherlands Institute for Neuroscience, The Netherlands); **Shira Knafo** (Ikerbasque, Spain); **Harm J Krugers** (Universiteit van Amsterdam, The Netherlands); **Johannes Gräff** (BMI, Lausanne, Switzerland); **Christophe Mulle** (CNRS- Université Bordeaux 2 (France)); **Maiken Nedergaard** (University of Copenhagen, Denmark); **Carmen Sandi** (BMI, Lausanne, Switzerland); and **Gerhard Schratt** (University of Marburg, Germany).
